

FABRIC & FLAG MAKING SUPPLIES

NYLON FABRIC

These nylon goods are of top quality, woven from 200 denier yarns, and have a weight of approximately 3.2 ounces per yard. A perfect choice for use in flag & banner making, these dyed nylons also resist sunlight. Bolt edges are ravel resistant in all colors. The colors below are as accurate as modern printing processes allow. They are intended to show the general range of color shades. The actual fabric shades may vary slightly. If you have a question about a particular color, please call or fax and we will send you an actual swatch of the fabric. **Swatch books are available at \$17.00 each - item # 150000.** One yard minimum per color in full yard increments.
